

# Manhood 2:

## men, young men, fathers and sons

Following the success of Manhood 1, we invite males to come together again. Let us explore:

**What are the images of being male?**

**How does that impact on you and your community?**

**How can we develop relationships with different cultures amongst peers and across the generations?**

**A free workshop to give you an opportunity to discuss with men (young and old) what it takes and means to be male.**

**Manhood@ St Laurence Centre, Catford on Saturday 19<sup>th</sup> February at from 1.00pm to 5.00pm**

**This is an opportunity to look at our self image, our relationships with each other and how we can develop stronger male partnerships.**

To book a place and for further information, please contact:
